09 FEBRUARY

Family fun Day this Sunday!

Frenchville Rovers Annual Family Fun Day will be held this Sunday, 14th February. We will be welcoming in the start of the 2016 season with plenty of laughter and plenty of turf time.

All family members of past, present and future Frenchville Family Members are welcome to come on down and have a bit of fun running around. There will be plenty of laughter, plenty of running and I am sure plenty of cheeky banter while we all catch up with one another after the break between seasons.

Making sure you bring your own water bottle along as it is going to be hot. Hats will be needed to shade the face while out in the sun.

We will be providing extra ice cold water for all to refill the water bottles, as well as icy cups for when you need that break to sit and re-energize dur-

ing the day.

Sausage Sizzle will be happening! As a **Thank You for coming**, the committee will throw a snag on the Barbie to finish the day.

Family Fun Day 2015! Welcome to the season.

As an added incentive to see all our fantastic club members, we will have exclusive access to the Just Hockey Shop at Kalka Shades.

Clark and Shelley McKay will be opening Just Hockey from 4pm for all Frenchville Rovers Members to pop on in and have a look at the great selection of Hockey Paraphernalia they have in store! Cash and Eftpos will be available, special orders can also be discussed when you pop on in and have a chat.

Looking forward to seeing all our players, the young and the not so young at our family fun day, there will be some sticks to borrow for those that have not yet purchased their new gear and a chance to meet your coaches and team mates.

2016 will see many old faces returning, and will also see many new faces joining our fantastic club. I look forward to seeing all our members throughout the season, and I look forward to a fun and exciting year!
